Optical Fibre Adapter

products Details

Applications

- is widely used in telecommunications networks, CATV, FTTX and other fields

Specifications

Product Name	Optical Fibre Adapter	Fibre Count	Simplex、Duplex
Connector Type	SC/FC/LC/ST/MU/MPO etc	Fibre Type	Single-mode、Multi-mode
Insertion Loss (dB)	Typical: 0.10; maximum: 0.20	Polish Method	PC、APC
Operating temperature	–20℃～+75℃
